Nursing Assessment in PowerChart

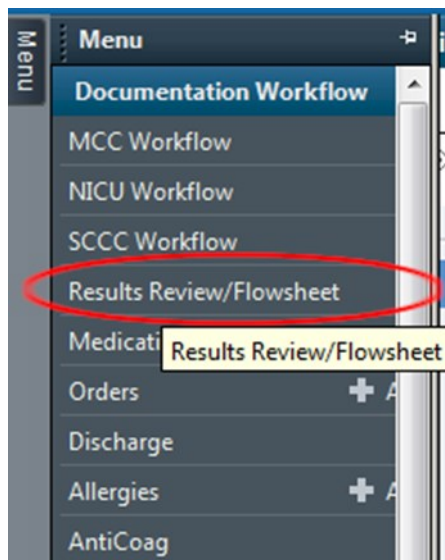

November 2015

What's the change?

Starting December 1, 2015, part of the Nursing Assessment will be documented in PowerChart. Nursing will continue to write progress notes.

Discrete data can be viewed by doing the following:

1. On the Menu, click **Results Review/ Flowsheet**.

2. Click the **Nursing** tab.

A screenshot of the PowerChart 'Nursing Documentation' interface. The 'Nursing' tab is selected and circled in red. The interface shows a list of assessment categories on the left (Navigator) and a table of results on the right. The table has columns for two dates: 11/20/2015 09:55 and 11/19/2015 14:51. The table is also circled in red.
